## Acceptance Guidelines

Ads for the 2x2 Network shall consist of a clear statement of a bonafide offer, proposition or announcement made in good faith. NJPA may request documentation prior to publication for any questionable statements in advertisements. NJPA and its 2x2 Network participating newspapers retain the exclusive right, at their sole discretion, to refuse any advertising that does not conform to their policies and standards. A maximum of ten ads per week will be distributed to participating newspapers.

NJPA retains the exclusive right, at its sole discretion, to set the publication schedule of all ads. Neither NJPA nor its member newspapers shall be liable for slight changes or errors that do not diminish the value of the advertisement, except to give the advertiser credit for the amount of space in the advertisement that is materially affected by the error. Credit shall be by refund or republication of the ad, at the election of NJPA or the newspaper. Credit shall not be given for more than one incorrect insertion unless the publisher is notified in writing of the error before repetition of the incorrect advertisement.

NJPA guarantees the ads will be distributed to all participating newspapers. NJPA will convey advertisers' requests for specific section placement; however, positioning cannot be guaranteed. Placement within the newspapers is at the discretion of each individual newspaper. NJPA will provide the advertiser, upon request, one tearsheet from one participating newspaper. The number of participating newspapers is subject to change weekly.
