General Information

New Jersey Press Association's Advertising Contest encourages excellence by recognizing the achievements of NJPA member newspapers and digital news organizations. The contest looks to the future by encouraging news organizations to find new ways to inform, entertain, enlighten and engage their readers.

Eligibility

This competition is open to newspapers and digital news organizations that are full members of New Jersey Press Association whose dues and assessments are paid in full through December 31, 2023.

Contest Period

January 1, 2023 – December 31, 2023

Deadline

Friday, January 19, 2024

The contest website will accept entries until 11:59 p.m.

Judging

Entries will be judged according to the guidelines set forth in the category listings and rules. Judges who are independent of the New Jersey Press Association will select First, Second and Third place winners in each category. Awards will be granted only when judges believe that special recognition is warranted. In categories that receive fewer than four entries, the association encourages judges to award prizes only if the entries merit them.

Awards Presentation

Winners will receive their awards at the NJPA Spring Awards Celebration in April.

Entry Criteria

All entries will be judged on uniqueness of idea, sales appeal and appearance. Color ads will be judged on the use of color in addition to the preceding. Additional judging criteria for specific categories are noted in listings.

REMINDER!!

Digital News Organizations may only enter the Online categories.

All entries must have been published between January 1, 2023 and December 31, 2023. Entries must have been published inside the newspaper except for Categories 9 and 10 and Online Ad Categories 18-22.

Each individual ad or project may only be entered in one category. However, multi-advertiser pages or sections may include ads that have been entered in other categories.

Previous winning entries are not eligible for this year's contest.

The maximum number of entries per category, per newspaper or digital news organization, is three.

Group weeklies must submit each entry under the name of an individual newspaper, not under the name of the group.

Ads may be outsourced but not submitted by an ad agency on behalf of the advertiser. Ads produced by agencies or accounts are not eligible.

Print "House" ads promoting advertising, readership contests, news content,

NIE programs or newspaper circulation ads may be entered only in Category 8. Promotional pieces may be entered only in Categories 8 and 9. Each print entry must be submitted as a PDF tearsheet of the entire newspaper page, including the publication date. List each ad or section by its title or headline; do not use just the advertiser's name. See Making Entries on Page 7 for more details.

Ads may be outsourced but not submitted by an ad agency on behalf of the advertiser. Ads produced by agencies or accounts are not eligible. For each entry, submit a URL to a permanent location on your web server and a screenshot saved either as a PDF or JPEG. Online house ads may only be entered in Category 22. Explanation cover letter is required in Category 21. All entries will be examined by the committee prior to judging. Those that do not comply with these rules will be disqualified. If a newspaper's ads are entered in the wrong category, they will be disqualified. If a newspaper's entries exceed the stated number in any category, the association staff reserves the right to eliminate the excess at its discretion.

Special Sections - Complete Editions

Realview is no longer an option to e-publish large documents on the BNC website. In order to upload special sections and complete editions of your newspaper for categories that were mail-in only in prior years, please see third party upload suggestions SUCH AS "ISSUE" on the Edit Entry page on the BNC website. It is possible that your newspaper already has an account with one of these third party companies or a similar one, so please check before subscribing to a new software. Alternatively, you can use Adobe to shrink your full-size edition and then upload it to the website. The size limit is 20 MB.

Simply upload your shrunken file, or generate a link to your publication online using the third party software. Once you e-publish your large document, then copy the link. Paste the link into the entry form (instead of uploading). When judges click your entry, they will be instantly taken to your e-published document. Check your work by navigating to "Manage Entries" where you can test the link.

Contest Instructions

All ad entries are submitted on the contest website:

www.betternewspapercontest.com.

For best results, the contest website recommends using Google Chrome browser; and Firefox for older PCs and Macs. Please have a recent version downloaded and installed for best contest experience.

Reminders for this year's contest:

Username and Password

Each person submitting entries may have a unique username and password if assigned one by the Contestant Manager.

Contestant Manager

The Contestant Manager controls what is entered in a contest for your newspaper or website.

If you have any problems uploading your entries or have any questions about the process, please contact
Peggy S. Arbitell at
609-406-0600 opt. 2
or parbitell@njpa.org.

Color icons

Note the color icons shown for each category. Some categories are specifically for color ads. Some are just for black and white ads. And others allow both. Ads entered incorrectly will be disqualified.

IMPORTANT: Your Contestant Manager is the same person year to year. The first person who logs into the contest and makes two entries becomes your Contestant Manager. (These first two entries may be test entries that are deleted after other entries are submitted.)

If it is your first time logging into your account, use the temporary password: bnc (lower case). After you log in using the temporary password, the system will require you to update your password. Going forward (including future years if you remain the Contestant Manager) you will log in with the password you set. The password will be used by ALL departments at your newspaper to submit their entries in any of NJPA's contests (Advertising, Editorial Daily, Editorial Weekly, Daily Photography and Weekly Photography). We strongly suggest that your newspaper's Contestant Manager select the password and share it with the contest coordinators in each department.

If the designated Contestant Manager should leave your organization, please contact NJPA to have the contact info in your account updated.

- The Contestant Manager can choose to make entries exclusively or authorize others to make entries. To allow others to make entries, the Contestant Manager must create a separate account for each person.
- The Contestant Manager has access to all entries submitted to a contest for your newspaper or website, and can edit, disable or delete any entry.
- The Contestant Manager can access account information and passwords for every person he/she authorizes to make entries.

Authorized Entrant

Each person the Contestant Manager gives permission to make entries, is an Authorized Entrant.

While the Contestant Manager can see and edit all of the entries and account information, the Authorized Entrant only can see and edit the entries he/she made.

Scrapbooks

Potential contestants can save their work on the contest website in their own Scrapbook accounts. For this contest, once a contestant has been made an Authorized Entrant, he/she can upload content from his/her Scrapbook directly into an entry. Contestant Managers do not interact with user Scrapbooks.

Start early and become familiar with the process!

We strongly recommend that you start making your entries early. Certainly don't wait until the day before the deadline!

PAYMENT: You may pay either with check or credit card. Checks should be made out to NJPA. You can combine payments for the different contests into one check or pay separately for each contest. If paying by credit card, please select "Pay with credit card" at the bottom of the entry form, and NJPA will email you a link to pay with Paypal after we receive your entry form. We are no longer collecting your credit card details so please do not send these to us.

Step-by-step directions for setting up accounts and making entries are available on the contest website – www.betternewspapercontest.com. Under "Contestant Login", click on "Contestant Manager Help" or "Authorized Entrant Help".

Contest definitions

Division: a specific contest, e.g., Advertising, Editorial Daily, Editorial Weekly or Photography.

Category: a specific competition within a contest division, e.g., “Best Real Estate Ad” or “Best Special Section”. Each division has a number of categories, which have specific requirements and limitations that are explained in the contest rules.

Entry: a submission in a category. Each category permits a specific number of entries. For example, a newspaper may submit three entries in the Advertising category “Best Use of Small Space”, each entry consisting of one ad. The contest rules provide specific information.

Some categories require multiple examples as part of each entry, e.g., several ads as part of an advertising campaign entry. In this case, ALL of the examples for the entry should be uploaded in a single PDF, e.g., three ad tearsheets as separate pages in one PDF. For information on how to combine multiple tearsheets into one PDF, see Preparing your entries below.

Preparing your entries

Keep the judges happy!

Don't make them wait for your PDFs to be displayed because a file is too large. Entries that the judges cannot view will be disqualified.

Maximum entry size

Each entry should be less than 5 MB. Smaller is better, faster.

- Eliminate extra pages. Upload only the page on which the entry is located.
- For multiple-example entries, combine all examples into one PDF.
- Reduce the size of each PDF.

Extract pages from multi-page PDFs

If your entry is part of a multi-page PDF, open the PDF and save it with a new name.

Open the new PDF, go to “Document” menu, select “Extract Pages” and follow the directions. Eliminate all pages that are NOT part of your entry.

Combine multiple PDFs into one

Open the PDF that you want first in your entry and save it with a new name. Open the new PDF, go to the “Document” menu and choose “Insert Pages”. Navigate to the PDF that you want next in the entry and select it. Continue until you have inserted all of your pages. For more information on how to combine PDFs, go to www.wikihow.com/Merge-PDF-Files.

Make PDF files smaller

For printing, most newspaper PDFs include high-resolution grayscale or color images. However, contest entries will be viewed and judged on computer screens at low resolution (72–96 dpi) and in RGB color. Changing the resolution and color mode of images are

the two most effective ways to reduce file size without sacrificing the screen viewing quality.

Use lower resolution

In PDFs, the text is clear regardless of resolution. Resolution only relates to photos and graphics. Reducing resolution by half can reduce an image file size by 75%. The recommended maximum resolution of 96 dpi can be enforced in your Adobe Distiller settings.

You might create an Adobe PDF Preset called “NJPA Contest” with the recommended settings, and share it with all the Contestant Managers and Authorized Users in your company.

Or simply use the “Smallest File Size” preset, instead of “High Quality Print” or “Press Quality”.

Convert images to RGB color mode

Converting images from CMYK color mode to RGB will reduce image files by about 25%. This color conversion can be enforced in your Distiller settings.

Embed all fonts

Regardless, how you make your PDFs, make sure ALL fonts are embedded. The judges will not have the same fonts as you have. If the PDF is missing fonts, your entry will not display properly.

Redistill PDFs

After making final adjustments to your PDF, redistill it to make it smaller.

Changes you made to your PDF may not yield the expected reduction in file size until you redistill the PDF. This is true even if you reduce resolution or change color mode using a PDF editor, like Enfocus Pitstop or Quite a Box of Tricks, or use the native profiling/editing tools in Acrobat 6 or later.

To redistill, open the PDF in Adobe Acrobat. Go to the “Advanced” menu, scroll down to “Print Production” and select “Acrobat Distiller”. Enter the settings recommended above or choose the preset that you created and be sure that ALL fonts are embedded.

Web and mobile entries

All web and mobile entries must be accessible online to the judges.

- Provide a direct URL for each entry, to a permanent location on your web server.
- If a username and password are required to view the page on your website, please enter those details in the “Comments” box on the entry page.
- If the judge cannot access your entry, it will be disqualified.

Also, upload a screenshot of each entry, in PDF or JPEG format, for the slide presentations of winning entries shown during the award banquets.

Making entries

Headline or Title of Entry

Remember that you are submitting full-page PDFs, so please make sure your titles accurately identify the items the judges need to locate on the pages!

- In the “Headline or Title of Entry” box, enter the headline of the ad, article or photo being uploaded, exactly as it appears on the page.
- Do NOT use just the name of the advertiser.

- For categories that require more than one example per entry, you may use the name of the advertiser, writer or photographer if it is obvious on every example in the entry. Otherwise, list all of the headlines or titles, separated by double slashes like this:
Title1 // Title2 // Title3

- Do NOT use commas, semicolons, colons, dashes or single slashes to separate entry titles. Often they are used in headlines, but double slashes never are.

To add web/audio/video content, copy and paste the content's URL address into the provided Website URL field. To host your content online, either upload it to a free streaming content website (e.g. YouTube) or talk to your IT person about adding it to your publication's website. Make sure the content will be accessible online throughout the duration of the contest and judging process. **IMPORTANT** - Be sure that items are not behind a paywall or a password protected area.

Credits

In the boxes labeled "Who should be credited for this entry?" you can enter up to four names of people who worked on the entry.

- In the box titled "First Name" list the FULL name: Joe Green
- In the box titled "Last Name" list that person's title: Sales Representative, Graphic Artist, Marketing Director, etc.
- If more than four people worked on the project, enter: Sales Staff, Staff Artists, etc.

Official Entry Form

Once you have completed the entry form, click on the "Submit" button and you will be taken to the entry verification page, titled "This Page is Your Official Entry Form."

- From the verification page, you can "Submit Another Entry", "Manage Entries" or "Logout".
- DO NOT hit the Back button or you may eliminate this entry!

Once the maximum number of entries is reached in a category, that category is no longer available unless an entry is "disabled" using "Manage Entries".

You may print copies of the Official Entry Form for your use, but do not send them to NJPA.

Please send NJPA the Contest Entry Form on the last page of this package along with payment.
